

Helping Passionate Donors Leave Permanent Legacies

GUIDELINES FOR DONOR ADVISED FUNDS

Introduction

Welcome to the Athens Area Community Foundation. We strive to assist donors in maximizing the impact of their charitable gifts and hope that you make full use of the services we offer.

The purpose of the Donor Advised Fund program is to create an opportunity for people like you to give back to their communities in an informed and active way. This handbook is designed to explain the Community Foundation's procedures and to answer some of the basic questions you may have about your Donor Advised Fund. It is a useful orientation for new donors and a handy refresher for those with established funds. Our goal is to make participation in the work of the Community Foundation as rewarding as possible.

The staff at the Community Foundation is dedicated to meeting the diverse needs and interests of our donor. We attempt to personalize our donor services in a variety of ways. But most of all, we want to get to know your charitable interests so that we are better able to assist you in meeting your charitable giving goals.

A Community Foundation is a publicly supported organization created by and for local citizens to benefit their community. Community Foundations build philanthropy and support philanthropic efforts to meet local needs and improve the quality of life for all the community's residents.

With the creation of the Athens Area Community Foundation, the Athens area now has a public philanthropic organization dedicated to supporting our thriving, just, and caring community. As the local center for philanthropy, the Athens Area Community Foundation connects individuals, families, corporations, and private foundations in the Athens area to the critical issues facing our community. We advance sustainable solutions through collaboration with civic and charitable organizations.

Mission

The Athens Area Community Foundation, Inc. is a public charity that brings people together who care deeply about Athens, Georgia and surrounding areas and who seek to improve the quality of life and economic well-being of all people in our community through gifts and involvement.

We are committed to connecting donors with what they care about through charitable giving and by serving as a well-informed and effective grant-maker working in partnership with the community and encouraging the entire community to support charitable giving for the benefit of all.

Characteristics of Donor Advised Funds

A Donor Advised Fund is a charitable fund established by a donor (an individual, family or business) into which they contribute cash or assets, receive a tax deduction and continue to have the opportunity to be involved in its charitable use. A Donor Advised Fund offers active participation in the grant process by allowing you to recommend the grant recipients. It affords all the advantages of a private foundation with greater tax benefits and none of the administrative tasks. A Donor Advised Fund can be created at the Athens Area Community Foundation in a variety of ways—cash donations or appreciated securities, for example. It's a perfect vehicle for those who wish to participate actively in grantmaking and retain philanthropic flexibility.

A Donor Advised Fund is an irrevocable charitable gift of cash or securities from which you have the opportunity to recommend disbursements for charitable causes. Any recommendations regarding distributions from the fund shall be advisory only. Such recommendations shall not be binding upon the Foundation and the final decision regarding any distributions from the Fund is the decision of the Board of Directors of the Community Foundation.

Benefits of Donor Advised Funds

Simplicity

Through the Community Foundation, you can centralize and streamline your philanthropy. One fund here allows you to recommend grants to many different nonprofit organizations without having to make separate contributions to each organization. Responsibility for the administrative work associated with charitable giving is transferred to the Community Foundation, and your anonymity can be protected if desired.

Flexibility

You receive a charitable tax deduction in the full amount you give to a Donor Advised Fund in the year of your contribution, but you can make decisions regarding distribution for many years thereafter. Your fund continues to be invested and grows tax-free in a well-diversified, professionally managed portfolio.

Maximum Tax Deductions

Donors who contribute long-term appreciated securities to the Community Foundation get a double federal tax benefit. Gifts of appreciated securities are deductible at their full market value if they were owned longer than twelve months. The capital gains tax on the stock's appreciation (the difference between the stock's cost and its current fair market value) is completely avoided. Every individual's tax situation is unique and we suggest that individuals consult their tax advisor with respect to maximizing tax benefits.

Expertise

Your partnership with the Community Foundation is an opportunity to learn about philanthropy from experienced, professional grantmakers. Program staff—a ready reserve of information and expertise about our nonprofit community—are available to review requests and make recommendations. If you wish, we will bring your attention to organizations working in areas of your charitable interest.

Attractive Alternative To A Private Foundation

A private foundation can be an appropriate vehicle in the right circumstances. However, the disadvantages of private foundations, including costs, administration, annual tax filings to the IRS, and lesser tax benefits, cause many people to seek a better alternative. A Donor Advised Fund may be that better alternative. Private foundations can be terminated and the assets easily transferred to a Donor Advised Fund with the Community Foundation.

Setting up a Donor Advised Fund

To create a Donor Advised Fund, you sign a Fund Agreement—a document that conveys your gift to the Athens Area Community Foundation (AACF). A *donor* is the person who establishes the fund and a *donor advisor(s)* is designated by the donor in the Fund Agreement as the only person(s) who can recommend disbursements from the fund. In the agreement, you may name yourself as an advisor, either to act alone or with another individual (or individuals). It is recommended that if more than one person is listed as a donor advisor, that one person be specifically designated to act as the lead in submitting Grant Recommendation Forms to the Community Foundation.

Variance Power

It is understood that all assets contributed to the Fund become irrevocable gifts to the Foundation, and the ultimate authority and control of all property in the Fund rests with the Foundation. All funds established at the Foundation are subject to the Foundation's variance power, as set forth in the Foundation's bylaws. Variance power gives the Board of Directors of the Athens Area Community Foundation the power, without the approval of any donor, trustee, custodian, agent or other person or entity, to modify any restriction or condition on the distribution or investment of funds for any specified charitable purpose or to any specified organization if, in the sole judgment of the Board of Directors, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by the corporation or if, in the sole judgment of the Board of Directors, other circumstances warrant such modifications.

Minimum Value

AACF recommends a minimum of \$10,000 to start a Donor Advised Fund but we are eager to work with you to accomplish your charitable goals and discuss your individual circumstances.

Additional contributions

Contributions such as cash and appreciated securities can be made at any time. Gifts of real estate and certain other tangible assets can only be accepted with prior approval of the Community Foundation's Board of Directors.

Gifts to a public charity, unlike contributions to a private foundation, have the benefit of the maximum charitable deduction permitted under current laws. The charitable gift you make to establish a Donor Advised Fund, and any subsequent contributions to the fund, are fully deductible as gifts to a public charity. A community foundation is defined as a public charity under sections 501(c)(3) and 170(b)(1)(A) of the Internal Revenue Code. All gifts to the fund are acknowledged by a sanctioned IRS letter that may be used as evidence of the charitable contributions for tax purposes.

All checks should be made payable to AACF *with the specific fund identified either on the payee line ("AACF/Your Fund") or on the memo line*. This ensures ready acceptance by banks and accountability by AACF.

Some Donor Advised Funds conduct fundraising events or solicitations to grow their fund. All solicitations on behalf of a fund at the Community Foundation must meet our fundraising activity guidelines in advance of fundraising or solicitation. Staff will provide these guidelines upon request.

Distributions

The donor advisor(s) recognized in the Fund Agreement may submit grant recommendations to one or more charities by using a Grant Recommendation Form (See Page 7). You may send it by mail or fax. Grants may only be made to publicly supported 501(c)(3) charities, schools or government entities. Minimum recommendations of \$200 are encouraged in order to make the most efficient use of the AACF's resources. Grants may be for undesignated support or you may designate the grant be used for a particular purpose. If no designation is stated, we will assume that the grant is to be used for general support.

Community Foundation staff will research and document the charitable status of the proposed recipient organizations and the charitable nature of their activities, when necessary. With the support of our grantmaking staff, the Community Foundation reviews the recommendations using criteria established by our Board of Directors in accordance with IRS guidelines.

The Community Foundation's primary interest is the support of nonprofit institutions in Athens-Clarke, Oconee, Oglethorpe, Madison, Jackson, and Barrow counties. The Foundation recognizes that there may be charitable organizations outside of this geographical area that are also of special interest to you and are deserving of support. Grants to these institutions will also be considered.

Restrictions on Distributions

The IRS is specific about some limitations on the types of grants that can be made from a Donor Advised Fund. Distributions from the Fund may not be used to fulfill any preexisting pledge or for any personal benefit for donor(s), fund advisor(s), or any related party, including personal grants, loans, compensation, reimbursements, and other similar payments. Additional examples of personal benefit include memberships in a nonprofit organization, tickets to fundraising dinners or golf tournaments and goods purchased at charitable auctions and other fundraising events. In addition, distributions may not be made to private foundations or individuals or used for political contributions, lobbying or to support political campaigns.

Common Grants

Here is a list of the most common types of grants made to nonprofit organizations and what they typically mean to those organizations:

- Unrestricted- An unrestricted grant allows the nonprofit to use the dollars where most needed.
- Operating or general support- An operating grant provides for the day-to-day costs of running the organization.
- Project/Program- A project or program grant supports a specific activity.
- Capital or capital campaign- A capital grant provides support for the purchase of property, the construction of a facility, remodeling/expansion of a facility or purchase of equipment.
- Endowment- An endowment is a permanent source of income for organizational operating or program expenses.
- Challenge or matching- A challenge or matching grant helps a nonprofit leverage additional dollars through a fundraising campaign.

Maintaining Contact with Grant Recipients

When the Community Foundation makes a grant from a Donor Advised Fund, the charitable organization receiving the grant is informed by letter. A copy of the grant distribution letter is sent to you as confirmation. Unless you otherwise request, any distribution from a donor advised fund shall identify the name of the fund and the name and address of the fund's primary contact person for acknowledgment purposes.

We make every effort to respond promptly to your grant recommendations. Checks to organizations previously known to the Community Foundation will be issued in a timely manner – usually within five business days of receipt of the grant recommendation. Community Foundation staff will gather basic data and follow through with appropriate actions as quickly as possible.

Additional Ways to Support AACF

Making gifts to the Community Foundation's Operating Endowment, the Steve Jones and Lillian Kinsey Community Impact Fund (AACF's Discretionary Grantmaking Fund), and contributing to a Fund for unrestricted or field of interest grantmaking demonstrates a desire to support the Community Foundation's mission. These kinds of gifts help address ever-changing community needs by allowing AACF to identify opportunities and target your dollars where they will be most effective. You may request that a transfer be made from your Donor Advised Fund to support the activities of the Community Foundation at any time.

Investments

The funds of the Athens Area Community Foundation are managed by professional investment managers under the supervision of the Finance Committee of our Board of Directors in accordance with our Investment Policy. Regular reviews are conducted to monitor investment performance and activity.

Grant payouts from Donor Advised Funds can be made from income (endowed) or, in special circumstances, principal (non-endowed). When you create an endowed Donor Advised Fund, you make an endowed gift to the Community Foundation. This type of fund is invested not as an individual account, but as a part of a pool. Therefore, this fund enjoys economies of scale in investment fees and returns, more so than if it were invested as a separate, individual fund.

When you create a non-endowed Donor Advised Fund, you make a non-endowed gift to the Community Foundation. These funds are invested in an interest bearing bank account and upon request, a portion may be invested in the investment pool described above.

Fees

There is no initial charge to set up a fund. Once a fund is established, a Foundation Support Fee is assessed on a quarterly basis. Fees vary by the size of each fund but will be no less than \$500 per year. Foundation support fees provide for the operation of the Foundation, including the work of engaging philanthropists in local grantmaking; building local knowledge and expertise on community needs and opportunities; strengthening nonprofits through grants and guidance; participating in collaborative efforts to address community problems; and practicing organizational excellence in asset stewardship, grant review and processing, fund valuation, statement and activity reports, check preparation, mailing, data processing, management, bookkeeping and auditing.

For Donor Advised Funds under \$1.5 million, the annual Foundation Support Fee is 1.5% applied to the fund's average balance quarterly at 0.375%. There are declining fees above \$1.5 million (see detail below):

Fund Fair Market Value	Total Annual Fee	Quarterly Assessment

Up to \$1.5 million	1.50% (no less than \$500)	0.375% (no less than \$125)
From \$1.5 to 2 million	1.25%	0.313%
From \$2 to 3 million	1.00%	0.250%
Amount above \$3 million	.90%	0.225%

AACF offers multiple vehicles to help donors meet their charitable goals in perpetuity. Donors and Nonprofits may wish to establish Funds designed to support specific agencies or to take advantage of complex gifts like Charitable Remainder Trusts. For more details, please review AACF's Investment Policy and Gift Acceptance Policy.

Fund statements

You will receive quarterly fund statements, sent to you approximately the 20th of the month following the close of the quarter. These reports contain information on interest and dividends earned, realized/unrealized gains and losses, contributions, fees, and grants made during the quarter. Historical data of all your gift and grant-making can be provided to you upon request. If you should have any questions, please do not hesitate to contact us.

Family Involvement

You may wish to encourage your children to carry on this tradition of philanthropy. The Community Foundation invites you to appoint your children as successor advisors. Experience indicates that educating children through example and shared activities instills this legacy of commitment. We would be glad to assist you in determining an appropriate way to involve others in your family philanthropy.

Creating a legacy

By creating a fund with us during your lifetime, you have already made it possible to leave a permanent legacy to charity. Upon the death of the last surviving advisor, the fund will continue as a permanent named endowment meeting your charitable purposes for generations to come. This allows you to build a permanent legacy and to perpetuate the name you select for the fund. You may want to add to the Fund by making a charitable provision in your will. Or you may also create additional funds named for your family or in honor of a relative or friend to serve as memorials to them. Gifts will be made in the name of your fund in perpetuity.

Donor Engagement

AACF is a vehicle for donors to act as strong, strategic philanthropists. The Foundation encourages you to play an active role as an advisor to the Donor Advised Fund you established. To prevent your Fund from becoming inactive AACF staff is always available and will be in touch with you periodically to see if you would like assistance identifying charitable organizations for support or would like to engage in funding a larger initiative. Communication fosters understanding and helps us to efficiently administer your contributions and more effectively respond to your distribution suggestions. You may contact us in person, by telephone, mail, email or facsimile, whichever is most convenient for you.
